The April Change Cycle was completed on Saturday, 4/26/03. Following are the changes that were implemented:

1. APPLICATION TICKLER: Correction to APP tickler so that records marked Duplicate/Bad records do not appear on tickler.
2. HF/MCP REPORTS: Modification to the HFP and MCP management reports to exclude cases that have been Closed or Denied for more than 1 year.  
Modification to the report to display first 3 DX codes and descriptions for a patient record.
3. PROGRAM ELIGIBILITY: Modification to the Program Eligibility period so that eligibility for the current date is not considered "expired" until the following day.
4. CANCEL CORRESPONDENCE: Add the ability to cancel the Residential NOA, Financial NOA and Program Eligibility NOA from Cancel Correspondence.
5. SEND CORRESPONDENCE: New Notice of Privacy Practices (NPP) letters for HIPAA were added to Send Correspondence. At the Select Letter prompt type "NPP". The NPP is available in English & Spanish. To print the NPP in Spanish, make sure the Language field of the Patient Registration Face Sheet indicates Spanish, otherwise all letters are printed in English.
